#### Building our Budget

- What is a budget?
- Important terms and parts of our budget
- Rules from the DD Act about our budget
- Staff roles and responsibilities
- Council member roles and responsibilities

#### What is a budget?

We use budgets to track and plan how we spend our money each year to reach our goals and objectives.

Budgets track and plan:

- + Money in (income)
- Money out (expense)

**Total** 

This Photo by Unknown Author is licensed under CC BY-NC

#### Terms to know

Income – money coming in (+)

- Allocate money we plan to spend (-)
  - Sometimes we have money left over from last year that we allocated but will spend this year

 Expense – money we spend to buy services or pay staff, Council member stipends and travel

#### Fiscal Year or Calendar Year?

Calendar Year:
January 1-December 31

Fiscal Year = budget year

State Fiscal Year: July 1 – June 30

Federal Fiscal Year October 1 – September 30

OCDD operates on Federal Fiscal Year because we are

#### Federal Income to the Council

- Each state DD Council gets an "allotment" of federal money from the Administration on Community Living (ACL).
- We get about \$823,856 per year
- Allotments are based on:
  - The population of the state
  - Need for DD services
  - Financial needs of the state

# PARTNERSHIP

#### Other income to the Council

- Agreement to work with another state agency
- These are called "interagency agreements"
- The Family Networks and Inclusive Partners are funded with interagency agreements

#### Expenses: What we spend money on

- State Plan Activities (externally focused): Work to accomplish our Five Year Plan Goals and Objectives
  - staff time, contractors and other items
- Operating or administrative Costs (internally focused):
   Things that keep the Council going
  - Council meetings, committee meetings, caucuses
  - Staff time to support Council meetings
  - Staff time to track compliance, budget, etc.
  - Council meeting travel, meals, conf. room, lodging
  - Training for staff and council members

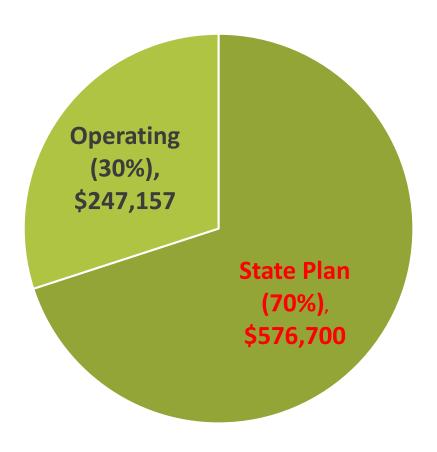

#### DD Act 30%/70% rule

- At least 70% of our annual allotment must be used for state plan activities
- No more than 30% of our annual allotment can be spent on operating or admin costs

State Plan (external focus) = work to accomplish goals

Operating
(internal focus)
= keeping the
Council going

#### Annual Allotment Expenditures \$823,856 Total Allotment

#### Council staff budget responsibilities

Build the budget

 Staff and Oregon Department of Human services will make sure expenditures are in line with the budget and meet State and Federal rules for allowable costs.

Report progress on budget and workplan

#### Council member budget roles

- Approve annual budget
- Monitor Council's budget regularly

#### **Questions to ask:**

- What activities or programs will the Council support this year?
- Are the activities/programs consistent with the State Plan and our mission?
- How will the Council allocate money to fund the activity/program?

#### What's next?

Review the draft OCDD 2022 budget

Discuss and vote to approve the OCDD 2022 budget

Some things about me

X

love sports!

I participate in Special Olympics at the local and state level

I like many sports including basketball, softball, bowling, and track & field

## About Daniel Tucker

I am close to my family

I enjoy working in my community

Can you tell us about your community?

I live independently in the Northeastern part of Oregon, County of Umatilla, and City of Hermiston.

I have a circle of friends with whom I go swimming, have BBQ's, celebrate birthdays, bowl together, spend Adventure Time and go to movies with.

I am not much of a handyman around my home, so when I have plumbing or electrical issues I call upon my Uncle Jon. His nickname is Mr. Fixit and he helps with repairs.

## Why Did you choose to be a part of OCDD?

A previous Council member met me at an event in Pendleton called music appreciation. She told me she was impressed with my ability to get my thoughts through to others. After that event she approached me about joining OCDD. After further research and a visit with the Council, I agreed to join. I felt that I could be a voice for people in my area of the state and help change barriers that we face every day.

Almost

8 years!

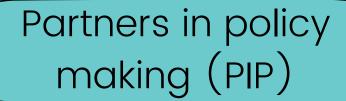

My term ends in January of 2022

## What are a few of the accomplishments that you are most proud of?

Vice-chair of OCDD

Co-chair of OCDD's Self

Advocacy Caucus

#### A few more of your

accomplishments?

Taking Charge of My Health Care Toolkit Videos

EOSSB Board and Vice President

Participation in Advocacy Days at State Capital

"One of my favorite moments was my first Advocacy Day at the State Capitol. I have really enjoyed our retreats and getting some one-on-one time with people and getting to know them as individuals, seeing their families and making them a part of our bigger OCDD family."

What is something you feel like you have learned during this time?

"I feel like I have a better understanding of the legislative process and the process of getting things to change the lives of people of the ID/DD community."

"You do what you do as your very best and do not worry about the outcome."

## closing words?

In closing, I would like to thank the Board for allowing me to serve these past 8 years to change things for the better, helping me to grow in my understanding and my self-confidence. I don't think I would have ever talked to my representative at the state capitol without the assistance of my fellow board members.

Thank you for taking time out of your busy meeting to listen to me and hear my story.
