Public Comment Survey Results and Revisions to Five Year Plan Federal Fiscal Years 2022-2026

August 5, 2022

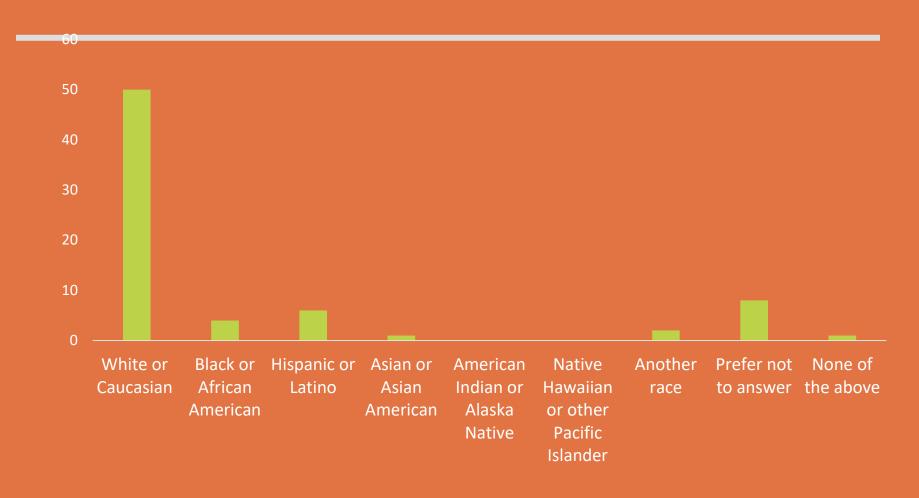

"I am (check all that apply)..."

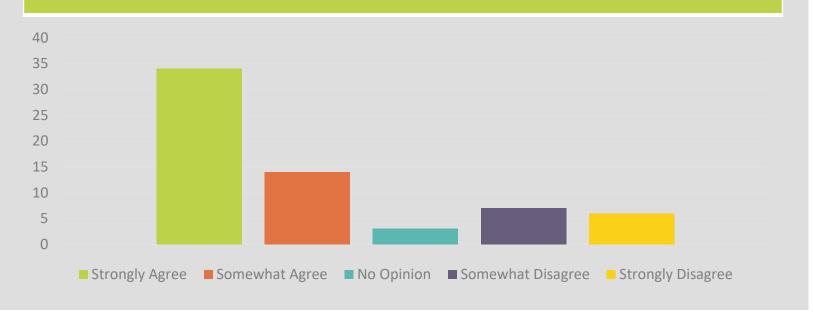

"I identify as (check all that apply)..."

Amended People Goal for Public Comment

By 2026, People in the DD Community will be equipped with increased knowledge and skills so they can effectively and meaningfully experience equity and inclusion in all aspects of their lives.

Amended People Goal for Public Comment

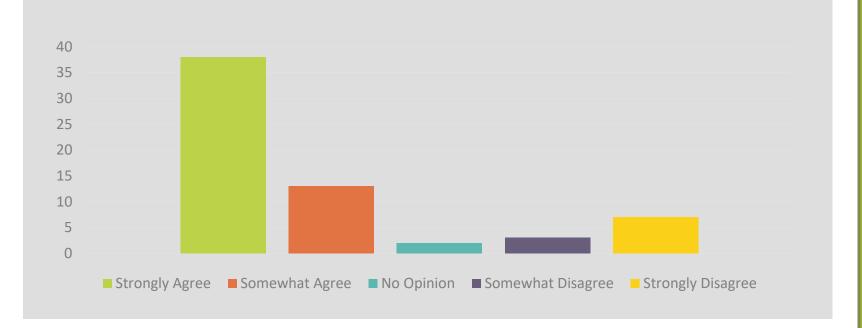

By 2026, People in the DD Community will be equipped with increased knowledge and skills so they can effectively and meaningfully experience equity and inclusion in all aspects of their lives.

Amended People Goal for Council Discussion

By 2026, people in the DD Community are equipped with the knowledge and skills to effectively advocate for, and meaningfully experience, equity and inclusion in all aspects of their lives.

Amended Systems Goal for Public Comment

By 2026, alongside the diverse DD Community, we will identify embedded inequities in systems access and services to support system change and policies that increase self-determination of all people with DD so they can have control of their lives and services.

Amended Systems Goal for Public Comment

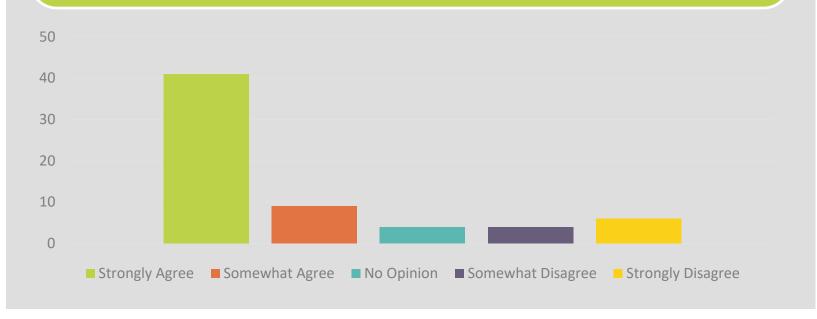

By 2026, alongside the diverse DD Community, we will identify embedded inequities in systems access and services to support system change and policies that increase self-determination of all people with DD so they can have control of their lives and services.

Amended System Goal for Council Discussion

By 2026, alongside the diverse DD Community, the Council will identify inequities in systems access and services. We will use that information to support system and policy change that strengthen self-determination of all people with DD so they can have control of their lives and services.

DD Network Collaboration Objective

For Public Comment: By Year 3 of the Plan, the OIDD Network Partners will develop publicly accessible information and provide technical assistance and training to graduate students and health care organizations to increase their knowledge about health promotion, mental health access, disability language, barriers to access or healthcare rights for people with DD.

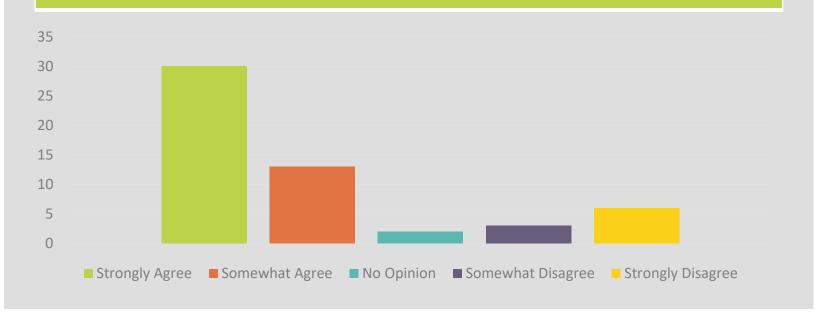

DD Network Collaboration Objective

For Public Comment: By Year 3 of the Plan, the OIDD Network Partners will develop publicly accessible information and provide technical assistance and training to graduate students and health care organizations to increase their knowledge about health promotion, mental health access, disability language, barriers to access or healthcare rights for people with DD.

Revised: By Year 3 of the Plan, the OIDD Network Partners will develop publicly accessible information and provide technical assistance and training to professionals in the education and health care fields to increase their knowledge about health promotion, mental health access, disability language, barriers to access or healthcare rights for people with DD.

Self Advocacy Objective Changes

For each year of the plan, the Council will provide strategic support for an organization led by a diverse range of people with DD where self-advocates recruit, teach and retain other self-advocates and support their participation in cross disability organizations.

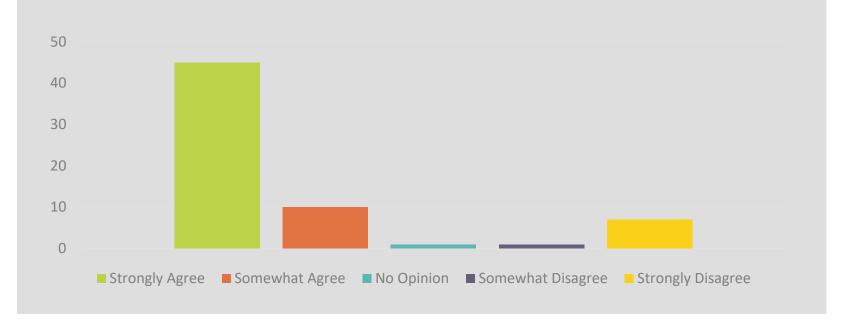

Self Advocacy Objective Changes

For each year of the plan, the Council will provide strategic support for an organization led by a diverse range of people with DD where self-advocates recruit, teach and retain other self-advocates and support their participation in cross disability organizations.

Revised: For each year of the plan, the Council will provide support for a self-advocacy organization led by people with DD to recruit, train, coach and mentor other self-advocates and support their participation in cross disability organizations.

Emerging Need Objective

For Public Comment: For each year of the plan, the Council will identify, evaluate and assess emerging needs and trends for people with DD and their families and take action as appropriate.

Emergent Need Objective

For Public Comment: For each year of the plan, the Council will identify, evaluate and assess emerging needs and trends for people with DD and their families and take action as appropriate.

Revised: For each year of the plan, the Council will identify and assess emerging environmental, biological or natural disaster needs for people with DD and their families and take action as appropriate.

Proposed Bylaw Amendment August 2022

A. Article 4 Membership, Section F is amended as follows: Compensation and Expense Reimbursement

- Members of the Council may receive-compensation for their services, in accordance with ORS 292.500 and 292.495, as described below.
- 2. Council members who are not employed full time in public service and have an Adjusted Gross Income of less than \$50,000 if filing individually or less than \$100,000 if filing jointly shall receive compensation according to ORS 292.500 and 292.495 for any day or part of a day where the Council member conducts official duties.
- 3. The rate of compensation per day pursuant to ORS 292.495(5) is equal to the per diem paid to members of the Legislative Assembly under ORS 171.072(9).
- Council members who are not employed full time in public service and have an Adjusted Gross Income of less than \$50,000 if filing individually or less than \$100,000 if filing jointly shall receive \$151 for any day or part of a day where the Council member conducts official duties
- 3.4. For compensation purposes, "official duties" of a Council member includes attending full Council meetings and conducting other duties as requested by the Council Executive Director.

Formatted: Font: Not Italic

4.5. Council Members may also receive reimbursement, as specified in the current Executive Order and Council policies, for approved out-of-pocket expenses (e.g., meals, lodging, travel, childcare and personal assistance) necessary to perform their Council duties.

People Goal

By 2026, people in the DD Community are equipped with the knowledge and skills to effectively advocate for, and meaningfully experience, equity and inclusion in all aspects of their lives.

1. Engaging diverse voices

2. Growing leadership

Engaging diverse voices

Council trainings, presentations, and communications efforts will reach racially, linguistically, culturally, economically and geographically diverse voices and experiences—and thereby engage the entire DD community.

Year 1 (FFY 2022)	Year 2 (FFY 2023) as presented in 2021	Year 2 (FFY 2023) as updated in 2022
Trainings presented alongside people with IDD in communities of focus	Same, in new communities of focus	Same
Build relationships with organizations who serve diverse communities to inform the ways we develop training and communications	Same	Same
Develop a communications plan that reaches racially, linguistically, and geographically diverse audiences and leverages diverse messengers	Implement communications plan	Same
Communicate publicly, accessibly, regularly, and transparently about the Council's work	Same	Same
Develop story telling campaign	Begin implementation	Not pursuing story telling in this way.

Growing Leadership

People with developmental disabilities, their families, and networks of support, will develop effective advocacy and communication skills.

Year 1 (FFY 2022)	Year 2 (FFY 2023) as presented in 2021	Year 2 (FFY 2023) as updated in 2022
Develop plan and pilot engaging adults with DD who have significant support needs from 5 focus regions outside Portland in shared advocacy	Implement plan and expand engagement in at least 3 additional regions	Same
Host two virtual Strong Start Spanish speaking groups while developing continuous improvement and expansion plan for future hybrid groups	Launch new Strong Start class based on year one improvements and transculturation	Moving away from Strong Start toward Partners in Policymaking
Develop structure for continued engagement with Partners and Strong Start graduates	Implement structure and develop level two curriculum available to graduates	Develop structure for continued engagement. No level 2 at this time.
Evaluation on how to achieve this goal which includes analysis on what other states are doing		Part of the PIP curriculum development

Systems Goal

By 2026, alongside the diverse DD Community, the Council will identify inequities in systems access and services. We will use that information to support system and policy change that strengthen self-determination of all people with DD so they can have control of their lives and services.

Self Advocacy

For each year of the plan, the Council will provide support for a self-advocacy organization led by people with DD to recruit, train, coach and mentor other self-advocates and support their participation in cross disability organizations.

Year 1 (FFY 2022)	Year 2 (FFY 2023) as presented in 2021	Year 2 (FFY 2023) as updated in 2022
Contract with OSAC to lead this work,		
in partnership with the Council	Same	Same
	Facilitate Discovery	
Facilitate Discovery Tour	Tour	Same
	Support OSAC	Transition done in FFY
Support OSAC infrastructure transition	infrastructure transition	2022.
Trainings offered to local self advocacy		
groups	Same	Same
Facilitate quarterly meetings for local self advocacy groups to come together around shared advocacy priorities	Same	Same
Pursue regional representative funding		Explore funding for regional reps.

Targeted Disparity

To better serve Spanish-speaking people with DD, their families, and communities, the Council will partner with ODDS, ODE, and OHA to reduce cultural and linguistic barriers to information and services.

Year 1 (FFY 2022)	Year 2 (FFY 2023) as presented in 2021	Year 2 (FFY 2023) as updated in 2022
Partner with Early Childhood Coalition & Oregon Partners for Education Justice (OPEJ) to develop & implement policy agenda that centers racial equity	Continue early childhood coalition partnership and contract for Spanish speaking leadership in OPEJ work	Continue early childhood coalition, develop OPEJ relationships
Facilitate opportunities for Spanish Family Leaders to regularly meet with and educate ODDS leadership	Bring Spanish speaking families and adults with DD together for shared advocacy with agencies around information access	Same
Facilitate opportunities for Spanish speaking people connected with the DD community to meet with OHA	Same	Same
Develop new partnerships with organizations engaged with the Spanish speaking community and facilitate ongoing listening, reflection, and plan development based on input from Spanish speaking community		Need to implement Year 1 (FFY 2022).

Integrated Services & Supports

Service systems will promote access to integrated supports for people with DD to pursue the lives they want within their own communities.

Year 1 (Agency focus)	Year 2 (Legislative focus)		
Educate Legislators on the strengths and challenges experie	enced by the IDD community in		
pursuit of self-determination and equity			
Collaborate with community and agency partners to:			
Promote self determination and equity in educational serv	ices and supports.		
Including: Fund contract with Oregon PTI to educate policy	makers on impact of Legislation on		
self determination and equity for students with disabilities	in school		
Promote non-discrimination in health services			
Improve policy and access for inclusive child care			
Promote self determination and equity within DD services	(including LifeCourse)		
Increase capacity within the mental health system to support people with IDD and their families			
Promote opportunities in housing for people and families v	vith IDD		
Promote equity in legal and civil rights of youth and adults	with IDD		
Prioritize supported employment in the wake of COVID-19			
Support family peer support facilitated by DD services	Collaborate with community and		
(pending Legislative funding)	agency partners to increase access to family peer support		

Emergent Disasters

For each year of the plan, the Council will identify and assess emerging environmental, biological or natural disaster needs for people with DD and their families and take action as appropriate.

NOTE: This is a new objective for FFY 2023. This is the first year a workplan has been established or presented for this objective.

Year 2 (FFY 2023)

Each year, Council staff will identify, evaluate and assess emerging biological or natural disaster needs and trends for people with DD and their families and take action as appropriate.

OIDD Network Collaboration

By Year 3 of the Plan, the OIDD Network Partners will develop publicly accessible information and provide technical assistance and training to professionals in the education and health care fields to increase their knowledge about health promotion, mental health access, disability language, barriers to access or healthcare rights for people with DD.

NOTE: This is a new objective for FFY 2023. This is the first year a workplan has been established or presented for this objective.

Year 2 (FFY 2023)

Council staff and OSAC will work with Oregon Health Sciences University to train healthcare professionals on LifeCourse Principles in relation to health promotion, mental health access or healthcare rights for people with DD.

Council staff and OSAC will train University of Oregon graduate students on the power of language in the disability community.

Council staff will work with Disability Rights Oregon to develop publicly accessible information.

Building Our 2023 Budget Goal and Objective Budget Detail

Presented by Leslie Sutton

Oregon Council on Developmental Disabilities

Engaging diverse voices

Council trainings, presentations, and communications efforts will reach racially, linguistically, culturally, economically and geographically diverse voices and experiences—and thereby engage the entire DD community.

Year 2	Budget
Trainings presented alongside people with IDD in communities of focus	\$7,500 Travel \$3,000 Interp
Build relationships with organizations who serve diverse communities to inform the ways we develop training and communications	Staff time
Develop a communications plan that reaches racially, linguistically, and geographically diverse audiences and diverse messengers	Staff time only
Communicate publicly, accessibly, regularly (blog/video)	\$16,000
DD Awareness Poster	\$10,000
Evaluation*	\$2,000
Staff Time*	\$70,994
Total	\$ 109,494

Growing Leadership

People with developmental disabilities, their families, and networks of support, will develop effective advocacy and communication skills.
