

## Executive Director's Performance Evaluation

### Council Member Survey

#### QUESTIONS ONLY FORMAT (No scoring)

#### Discussion draft only

#### Introduction-

Every year, Council members need to review the Council Executive Director. The review starts with you filling out this survey. After you are done with the survey, the Executive Committee will add your answers to the other Council members' answers.

Then, the Executive Committee will write a letter to the Executive Director with the survey results and recommendations. The Council will have a chance to approve the letter before it is given to the Executive Director. The Executive Director gives their input and comments during the evaluation process too.

Think about your own experiences with the Executive Director in the last twelve months as you fill out the survey. Please give your survey to the Chair when you are done. If you need help to fill out the survey, please ask the Chair.

Do not discuss your survey with other members of the Council outside of an Executive session of the Council. Do not discuss this survey with people outside the Council.

Your feedback is very important.

If you mark "Exceeds Expectations or Needs Improvement" **on any question, you must indicate why in the comments area.**

If you have any questions about this survey, please contact the Council Chair.

#### Rating scale information:

**Meets expectations** means reliably performs the task.
